vs.

Case No. 5:17-cv-00179-JPB

DIRECTV, LLC,

Defendant.

DECLARATION OF EDWARD A. BRODERICK

I, Edward A. Broderick, declare as follows:

1. I am an attorney duly admitted to practice in the Commonwealth of Massachusetts, I am over 18 years of age, am competent to testify and make this affidavit on personal knowledge. I make this declaration in support of Plaintiffs' Motion for Attorneys' Fees, Costs and Service Awards. In this declaration I will describe the work that I and my co-counsel have done in identifying and investigating potential claims in the action and set forth my qualifications. I will also describe my experience in representing plaintiff classes in class actions brought under the 47 U.S.C. § 227, the Telephone Consumer Protection Act. ("TCPA").

2. I have been involved in every stage of representing Plaintiffs in this case, from pre-trial investigation, analysis of Plaintiffs' potential claims, witness interviews, review of documents and discovery responses as well as depositions, motion practice, oral arguments, work on the four appeals filed in this action by DirecTV, mediation and settlement negotiations.

3. In my experience litigating cases under the TCPA, the Settlement in this case represents an excellent result for the class, and merits final approval from the Court.

4. Plaintiffs David and Roxie Vance and Carla Schultz devoted significant time to this action, assisting their counsel in developing the facts underlying the amended complaint in this action, as well as making their initial disclosures, responding to request for documents (and producing those documents) as well as answering interrogatories. Plaintiff all sat for depositions in the action. Without Plaintiffs' efforts both in documenting the source of the telemarketing in this action and their willingness to file suit, no recovery would have been possible.

5. Class Counsel have received no payment for their fees and costs. Since beginning work on this case my firm worked with no guarantee of being compensated for its time and efforts. Payment of my fees has always been contingent on successfully obtaining relief for the Plaintiffs and class members. As a result, there was a substantial risk of non-payment, particularly in light of the legal challenges involved in litigating this case. Work on this case has necessarily been to the exclusion of work on other matters that likely would have generated fees. I have also been denied use of the fees it earned over the course of this case.

6. The lodestar does not include the work Class Counsel will do after completion of this motion, which will include working with the settlement administrator, preparing the motion for final approval and attending the hearing, and communicating with class members.

7. My firm spent 603.7 attorney hours prosecuting Plaintiffs' claims. Billed at my hourly rate of \$800 and \$550 for Mr. Paronich for the portion of the case when he was a partner in my firm (my Paronich is also attesting to his hours spent after his departure from my firm in a separate declaration), my firms hours yield a lodestar of \$472,385. I am familiar with the billing rates for attorneys with similar experience, particularly with expertise in matters arising under the Telephone Consumer Protection Act, 47 U.S.C. § 227, *et seq.* and my billing rate and that is reasonable and is consistent with the rates of attorneys of similar experience and qualification. My firm additionally incurred \$64,294.85 in reasonable and necessary expenses in the litigation,

including expert witness charges of \$18,438.22, deposition expenses, travel, appellate counsel fees to Gupta Wessler of \$26,668, mediator fees and court charges.

QUALIFICATIONS OF COUNSEL

8. I am a 1993 graduate of Harvard Law School. Following graduation from law school, I served as a law clerk to the Honorable Martin L.C. Feldman, United States District Judge in the Eastern District of Louisiana.
